

Advanced Standing Credit Form

Inver Hills Community College has agreements with certain high schools to offer college-equivalent courses at those high schools. Students who complete an approved course in high school may receive college credit for that course(s). To receive college credit, students must:

- Complete this form and return it to Inver Hills Community College; and
- Earn at least a grade of B- in each course for which they wish to receive college credit.

By completing this form and returning it to Inver Hills Community College, a student record will be created at the college and the course(s) will be recorded on the student record. Official Inver Hills Community College transcripts can then be sent to any other college or university for transfer to that institution. **This form is not an application for admission to the college.** A separate application is required if you wish to take classes at Inver Hills Community College.
