4. Allow 21 calendar days for processing. If additional documentation is needed, your request will not be approved and you will be required to submit additional documentation.

Definitions:

- A. **Course Substitution:** A course substitution uses a course taken at Inver Hills or another institution in place of a required course for a degree or certificate program. In order for a course substitution to occur, the student must have taken a course at Inver Hills or transferred credit from another institution into Inver Hills. **Students must include the following documentation when requesting a course substitution:**
- Inver Hills DARS report or transfer evaluation showing the course(s) has been accepted as transfer credit.
 - Inver Hills transcript (if the course has been completed at Inver Hills).
 - A copy of the transcript from the previous institution.
 - A copy of the course description and/or course syllabus.
- B. **Degree Requirement Waiver:** A degree requirement waiver exempts the student from having to complete a particular course for a degree or certificate program. A student may request a degree requirement waiver if they feel that courses taken at another institution or if life/work experience has provided them with sufficient knowledge of the course content. If a degree requirement waiver is granted, the student must still make up the credits for that degree requirement by completing appropriate coursework. Below are some examples of documentation a student might include with their petition:
- A copy of the transcript from the previous institution.
 - A copy of the course description and/or course syllabus.
 - A detailed description of experience gained through work/school/life.
 - Other documentation depending on your situation

Appealing the decision of a transfer credit appeal

Students unsatisfied with the outcome of their transfer credit appeal have the right to Final Appeal that decision to the Vice President of Academic Affairs. The steps for Final Appeals are as follows:

- Student completes the Student Appeal form and attaches supplemental information such as a syllabus, course description, and faculty credentials
- The Vice President will review the request
- The student will receive a decision in writing

Appealing the college's decision

If the student is not satisfied with the college transfer Final Appeal decision, the student may submit a request to the Senior Vice Chancellor of Academic and Student Affairs for a system-level appeal of the college transfer appeal decision.

- A student shall appeal a transfer decision at the college level prior to appeal at the system level.
- The system-level appeal request shall include a copy of the college transfer appeal decision with supporting rationale, transcript and other documentation.
- To be considered, the student appeal for a decision that involves credits from system colleges and universities (MnSCU) must have the support of the chief academic officer or designee of the sending college or university. When a transfer decision involves credit earned at an institution outside MnSCU, the support of a chief academic officer or designee is not required.
- Upon receipt of the MnSCU system-level appeal, there shall be a review by Office of the Chancellor transfer staff. The review shall be based on course descriptions, outlines, objectives, learning outcomes, and/or other relevant information. The transfer staff shall submit a recommendation to the Senior Vice Chancellor for Academic and Student Affairs.
- The Senior Vice Chancellor of Academic and Student Affairs shall make a final determination regarding disposition of the appeal. The decision of the Senior Vice Chancellor shall be binding on all system, college and university parties.
